

4th Boxmoor Scout Group

Dear Parents

With the restrictions now on everybody as to which First Aid treatment we are allowed to give our members whilst at camp or organised activities, I need to obtain your permission to carry out First Aid if needed.

Can you please check the items below and indicate Y/N. This will save us going to the hospital for small injuries like stings and burns.

Please check the contents of these items.

The items we carry in our First Aid at outdoor activities include the following:-

		Yes	No
Waspeze	(Trade name)		
Stingeze	(Trade name)		
Burneze	(Trade name)		
Normal plasters			
Micropore plasters			
Saline solution for cleaning			
Lint			
Standard sterile bandages			

Please initial the box that applies

We are not allowed to prescribe any sort of medicine at camp. If you member suffers from a headache, do you want us to let them have anything to treat this? If yes, please tell us what the dosage is to be. Please note, you will have to supply these items. **WE ARE NOT ALLOWED TO BUY AND HAND OUT MEDICINES.**
